

DIOCESE OF MARQUETTE

PARTICIPATION IN MICHIGAN CATHOLIC CONFERENCE HEALTH CARE PLAN

In 1989 at a meeting of the Michigan Catholic Conference Board of Directors, a policy was established regarding participation in the Comprehensive Medical Plan. The policy reads as follows:

"All entities under the control of a diocesan Bishop are required to participate in the Comprehensive Medical Plan unless explicitly exempted in accord with the policy of the Board."

The above policy applies to all diocesan units (parishes, schools, institutions) located in the Diocese of Marquette and is effective immediately.

Adopted: November 1, 1989
