Finding God Through Stewardship

Jesus taught that all gifts are from God. Stewardship is a very practical concept that reminds us to use our resources wisely and give back to God in thanksgiving for all he has given to us.

Stewardship is not a one-time act of giving, but rather a way of life that encompasses not only your weekly envelope and other planned gifts, but also the generous sharing of your time and talents with the Church and others. Jesus calls us to be disciples; stewardship is our answer to that call.

As good stewards, each of us plays an important role in preserving and extending our Catholic heritage in our own parish and the diocese through weekly gifts and planned giving. Planning our gifts to the Church can be a source of grace and deepening spirituality as we perpetuate our Catholic faith and walk more closely with the Lord Jesus.

Perpetuating Christ’s Work in the Church

Fulfillment of the Church’s mission is dependent in part on the sustained support of the people of the Diocese of Marquette. You can help support the good works of the Church in the Upper Peninsula through a variety of planned gift methods.

The starting point for planned giving is your weekly parish envelope. We are called to set aside part of our income to support the Church’s mission. As we accumulate material wealth, however, we are also called to plan for the disposition of that wealth upon our death.

We have a responsibility to provide for our families and a responsibility as Catholics to build a solid faith foundation for future generations.

Your Gift Defines Your Legacy

Planned gifts can be made to the Diocese of Marquette for general purposes or designated for a specific entity or program. Your gift can be made for immediate impact or endowed for long-term impact.

Give to:
- Your parish or diocesan Catholic school
- Upper Peninsula Catholic Foundation
- Marygrove Retreat Center
- Seminarian education
- Retired priests of the Diocese of Marquette (St. Joseph Association)

Or, consider creating a new endowed fund in the Upper Peninsula Catholic Foundation.

Imagine the difference you might make with your legacy gift!

Thank you for considering a gift to help support the Church. We know you support the Church because you want to continue the mission that Jesus Christ entrusted to all of us. But we’d also like to make sure you benefit from making a gift to us.

**You Have Options**

You may be surprised to learn that many gift types offer significant financial and tax benefits. The key feature of a planned gift is that it provides important benefits to you as well as the Church.

We’ve designed the chart to the right to summarize the benefits of several common charitable gifts. Just think of what you want to accomplish with your gift, and there’s probably a way to do it!

We’re here to answer any questions you might have about planned giving. We can examine your particular situation and, together with your attorney and/or financial advisors, help you find ways to support the Church while ensuring your family’s financial security.

**How to Support the Church With a Gift in Your Will**

Your will allows you to control how your loved ones are provided for after your passing; it can also be an expression of your faith and create a lasting legacy of giving to your Church.

The easiest way to make a planned gift is to include a gift in your will. Your gift to the Church may be as easy as asking your estate planning attorney to add this suggested wording to your will:

“I give and bequeath the sum of $ ______________ (or ______%) of my estate) to the Roman Catholic Diocese of Marquette (or your parish or Catholic school) for its general purposes.”

A gift in your will may also provide more specific instructions regarding your gift, either restricting the use of the gift or granting a partial interest in the gift to others.
