LOF Seminars Teach Christian Stewardship

Funeral director Mark Canale presented funeral planning during a Parish Stewardship Morning at St Michael, Marquette. Legacy of Faith sponsors parish seminars that teach responsible stewardship of earthly possessions. The seminars may include estate planning, funeral planning and stewardship testimony. Seminar participants overwhelmingly rate the seminar as "very useful" and inspiring! Talk to your pastor if you are interested in bringing a seminar to your parish!

LEGACY OF FAITH

Inaugural Year for Cathedral Concert Series

The purity and innocence of a child's voice, the brilliance of the Cathedral brass, the nuanced sound of a choir, the sonic splendor of a symphony orchestra, the grandeur of the great Cathedral organ. All this and more greeted concert-goers during the inaugural year of the Cathedral Concert Series at St. Peter Cathedral, Marquette.

Launching new programs can be cost prohibitive or financially risky for a parish. That's where Legacy of Faith can help out. Legacy of Faith grants reduce the parish's financial risk and empower those people who have the talent and desire to try something new. Legacy

of Faith grants kindle the inspiration and ignite new programs that draw the faithful in. Approximately 3,000 people attended the inaugural eight concert series.

Goodwill offerings at each concert, combined with fundraising efforts by program organizers and continued grant support from Legacy of Faith, will carry the series for another year.

Two LOF Grant Programs Converge

Two popular LOF grant programs came together in 2018 to make a good thing even better.

Catholic Camp and Totus Tuus are both week-long summer faith formation programs that are open to all youth across the Upper Peninsula. Both have received Legacy of Faith grants for many years to help reduce participant costs. Both have experienced increased numbers over the last few years.

The Totus Tuus missionary teams travel parish to parish throughout the summer leading the program in parish communities. This past summer, a Totus Tuus missionary team was assigned to serve Catholic Camp. By joining forces, 81 campers and

32 volunteers were offered the vibrant, orthodox and lively Totus Tuus program in the camp setting.

In all, the two programs impacted about 1,270 people in 22 different sites.

Pilgrimage Leader Grateful for LOF Grant

A pilgrimage grant from Legacy of Faith helped Jacquelyn Velmer of Holy Name of Jesus, Assinins take five high school students to March for Life in Washington DC in January 2018. They traveled with the Diocese of Green Bay. "Each day we participated in Mass, morning, and evening prayer, rosary, Chaplet of Divine Mercy, and group activities. We attended the March for Life rally at the National Mall. It was the most beautiful, joy-filled, peaceful march I've ever attended. Several of the girls said the experience was life changing for them. Please keep all of these amazing young leaders in your prayers," said Velmer.

Catholic School Support

Legacy of Faith provides significant grant support to Catholic schools in the diocese. Bishop John Doerfler visits the schools regularly and spends time in the classrooms as well as with faculty and staff. Students are immersed in the Catholic faith and learn to experience the fullness of the Catholic identity while attending Catholic school.

Schools are asked to spend a portion (10%) of their grant on curriculum enhancement for a specific sustainability initiative. The remainder of the grant may be spent on current needs as determined by each school. This includes things like technology upgrades, tuition assistance, teacher salary and building repairs.
