Memorials and Tributes

We are all given but a few years on God’s earth to “build up the kingdom.” Sharing your blessings through a Memorial or Tribute Gift in memory or honor of someone special will make this world just a little bit better.

Remember, God is never outdone in generosity to each and every one of us.

Thank you and God bless!

Very Special Gifts

A gift in memory or honor of a loved one can be a fitting tribute in times of celebration or sorrow.

When you want to make a gift in memory of or in honor of someone, we will send a notice of the gift to whomever you designate to let them know about your gift. The amount of the gift is kept confidential. Your donation is tax deductible and will be used for the special needs and programs in the parish.

Tribute Gifts are Meaningful and Unique

In lieu of gifts for "the person who has everything," a tribute gift in their honor is unique and benefits something that means a lot to them - their Catholic faith!

Tribute gifts can be a thoughtful way to celebrate a birthday, wedding, new baby, graduation or any special occasion. Tribute gifts can honor someone you admire, respect, or want to remember in a special way. A family member, friend, mentor, co-worker, neighbor or favorite teacher may find your tribute gift especially meaningful.

Tribute gifts help to build up the faith at St. Michael Catholic Church and show the one being honored just how much you appreciate them.

Memorial Gifts Are Convenient and Deeply Appreciated

Maybe you were unable to send a sympathy card or a Mass isn’t available for months or even until next year. A Memorial Gift to St. Michael Catholic Church can communicate to friends and family that you care and that you took time to make a gift in their memory.

The name of your loved one will be inscribed in a Memorial Book, which is displayed in St. Michael’s Blessed Sacrament Chapel and their intentions included in the 10:30 A.M. Mass on the first Sunday of each month for an entire year.

The act of making a memorial gift brings comfort to the grieving family and can be a source of healing for the giver.
